Members Charles Britt and Cathy Smith were married on the deck giving us all warm hearts knowing with our efforts we do make a difference in the lives we touch. They could have been married in Vegas but chose our home instead  
Congrats to you both

## URGENT NEED FOR NEW INVOLVEMENT

### Officers and committees

Are you interested in becoming an officer of our lodge in 2026-2027. NOW is the time to reach out and show your interest. Nominations and elections will be in February which will be here faster than you know it.

As seen on the last page of our newsletter we list all the committees that you can be a part of or lead. We want fresh views and eager attitudes to help continue to build our lodge bigger and stronger in all we do.

Step up to the excitement of being a part of the foundation of Elk Lodges. Our committees and chair officers each play a very important role in the continued success of our lodge. You will not just hold a title but rather a responsibility which will come with the excitement of learning all new things and accomplishments that you can excel in.

We are here to hear from you!!!

See an officer or PER for more information or contact Bill

## Charity Gaming and Grants in action in 2025

\$5000.00 donations to St Francis House and Bread of the mighty Food Bank

Just proves that our charity gaming is allowing 990 to do far more for our community than we ever could in the past.

We look forward to getting more and more involved in youth programs such as drug awareness, scholarships, sponsorships and more.

Present the programs and ideas and present them to the charity committee to obtain lodge approval.

The money is there to help those in need. It does not do anyone any good sitting in the bank.

Help us continue to stay on the rise.

If you need help to move forward with an idea contact Bill at [bsenterfit@gmail.com](mailto:bsenterfit@gmail.com) and I help you with getting started.

Stay tuned for next issue when I share all the great things we are doing with our gaming charity funds.

As well as what we have accomplished for the lodge in our improvement donations.

I am speechless in what we as a family accomplished in the past years. On the Rise!

Thank you to everyone who supported the "The deck of dreams project"

You will find your plaque hanging at the main entrance just below the plaque for our lighting project

Stay tuned for our next renovations project that you can help come true

I strongly encourage every member that reads emails to get on our blast email list.

We send out food updates- member updates- event updates

Your missing out on a bunch of what 990 does if you are just waiting on the mailman

Round 1 of the all new Cash Bash is ready for action.

Tentative date for the event is Jan.21 from 5-7

(pending House Committee Approval to make sure there are no conflicting events)

Stay tuned because Round 2 will not be far behind

Join for a great road trip to support Addison as she strives to advance to the State competition next.

Gainesville Elk Riders had a very successful showing at the "Wreaths Across America" as they took lead on most of the event supporting the true cause behind this annual event. Kerstin Roberts did an exceptional on the spot interview with TV-20 after the event.

Needed is sponsorship for more wreaths for next year because there was not enough for every site.
