Why support the Elks?

For over 150 years, the Benevolent and Protective Order of the Elks has been dedicated to serving our fellow citizens.

Here in Florida, the 55,000+ men and women of the Elks in over 94 Lodges from the panhandle to the Keys are enjoying the camaraderie, compassion, community outreach, and support that are all part of being an Elk.

Florida Elks take great pride in giving back to our communities. Nationally the nearly one million Elks working together with the Elks National Foundation provide over \$33 million annually for charitable programs such as the Hoop Shoot competition, scholarships, drug awareness in our schools, and assistance for veterans of all wars.

In Florida alone, Elks provide millions of dollars in assistance to the neediest among us:

- The Army of Hope provides assistance to veterans and military families
- The Elks Children's Therapy Program brings mobile, in-home therapy services to children across the state
- The 400-acre Elks Youth Camp in Umatilla builds character while simultaneously inspiring Florida's youth by teaching respect and responsibility
- Elks provide multiple student scholarships in amounts up to \$5,000 per year to graduating high school seniors who are planning to attend college.

Florida Elks are living our creed...Elks Care - Elks Share.

As a sponsor or participant in our golf tournament, you will be supporting all of these programs and more, along with a fantastic opportunity to sponsor a child of your choice to our state of the art Youth Camp in Umatilla, Florida. Our 405 acre complex provides a unique camping experience for 7 weeks during the summer to children of Florida ages 9 to 13. Check out the camp, and learn more about the Elks at floridaelks.org.

If you are looking for something meaningful that truly makes a difference in your local community and the lives of others, please support our tournament. We have multiple levels of participation to meet your budgetary needs. Any amount helps and we thank you in advance for your consideration.
